

When to file the transit tax

Your transit tax is reported quarterly using the *Oregon Quarterly Tax Report* (Form OQ). Make your payment using the payment coupon, Form OTC, or through the department's electronic fund transfer (EFT). For EFT information, call (503) 945-8100 option 4 then option 1.

How to figure the transit tax

Multiply the gross taxable payroll earned within the transit district by the current transit rate. The current rate should be printed in the TriMet/LTD portion of the *Oregon Quarterly Combined Tax Report* (Form OQ).

Exempt payroll

The following are exempt from transit payroll taxes:

1. Federal credit unions.
2. Public school districts.
3. 501(c)(3) nonprofit and tax-exempt institutions (except hospitals).
4. Insurance companies (except domestic insurers).
5. Domestic service in a private home.

The following are exempt from LTD, but subject to TriMet taxes:

1. Public education districts.
2. Public special service and utility districts.
3. Port authorities.
4. Fire districts.
5. City, county, and other local governments.

For more definitions of exempt payroll for payroll taxes, refer to the *Oregon Business Guide*.

Penalty and interest

We charge:

- A 5 percent penalty on any unpaid tax after the return's due date;
- An additional 20 percent penalty on any tax due if Form OQ is filed more than one month late;
- A 100 percent penalty on any tax due if Form OQ is not filed for three consecutive years;
- Interest, at the current rate, on the unpaid tax from the return's due date.

A guide to TriMet and Lane Transit payroll taxes

Oregon Transit Payroll Taxes for Employers

Should I file?

Transit district taxes

The Oregon Department of Revenue administers tax programs for the Tri-County Metropolitan Transportation District (TriMet) and the Lane County Mass Transit District (LTD). Nearly every employer who pays wages for services performed in these districts must pay transit payroll tax.

The transit tax is imposed directly on the employer. The tax is figured only on the amount of gross payroll for services performed within the TriMet or Lane Transit Districts. This includes traveling sales representatives and employees working from home.

Who must file and pay?

All employers, including nonresident employers, who are paying wages earned in the TriMet or LTD districts must register and file with the Oregon Department of Revenue. Wages include all salaries, commissions, tips, bonuses, fees, payments to a deferred compensation plan, or other items of value.

Your payroll service may not be aware that you have employees working in the transit districts. If so, you need to contact the service regarding your reporting and payment responsibility.

How to register

If you are a new employer and subject to the transit tax, you may register online at sos.oregon.gov/business/pages/register.aspx or by completing the *Combined Employer's Registration*, 150-211-055, including the transit tax section.

If you're registered and have employees in the transit tax districts, complete the *Oregon Combined Payroll Tax Business Change in Status Form*, 150-211-156.

You can download these forms from: www.oregon.gov/dor/bus, or order them by calling (503) 945-8100.
